****This information is provided as a courtesy and intended as a general guide and not as a comprehensive resource on the subjects covered. It is not a substitute for legal advice. Please contact or visit the Texas Comptroller's website for more information.**

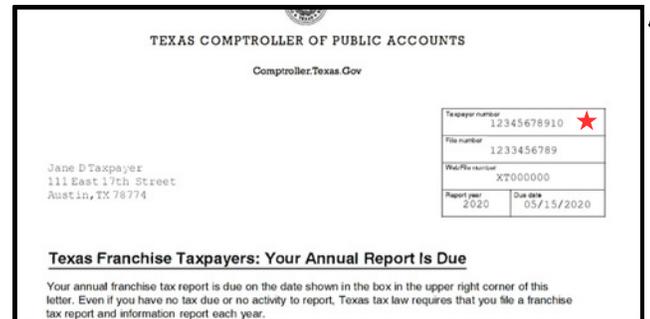

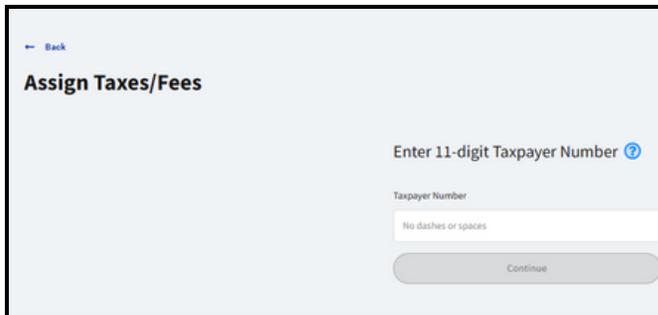

1

Go to the Texas Comptroller's website's [WebFile](#) system and login with your username and password. (If you haven't created an account, create one now). Select "WebFile/Pay Franchise Tax".

2

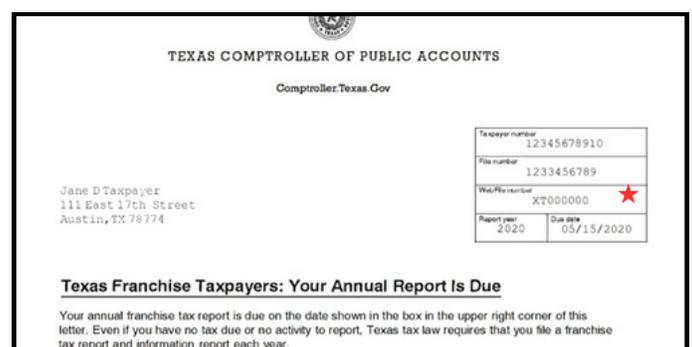

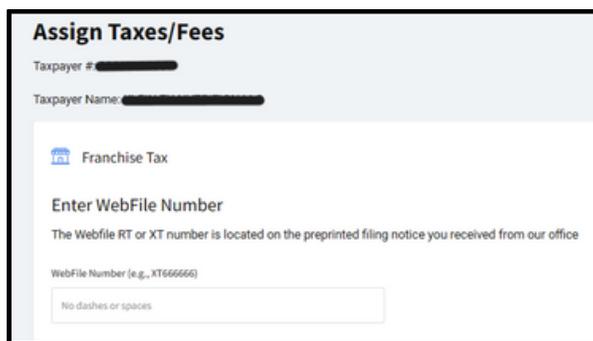

Choose Assign Taxes and enter the 11-digit Taxpayer Number for your Texas entity (if your LLC is not listed, you must add it to your account). The Taxpayer & Franchise Tax Webfile Numbers can be found in a letter from the Texas Comptroller's Office.

Example of notice, the TX Comptroller physically mails out to the tax mailing address on file.

3

Enter your Franchise Tax Webfile Number (normally consists of 2 alphabetical letters and 6 digits). Example: XT489312

Tip of the day!

If you're unable to locate your letter, contact The Texas Comptroller as soon as possible at (800)-442-3453 OR by email webfile.help@cpa.texas.gov to have another copy physically mailed to you (verify your mailing address). Only owners/members of a company or organization can request the Webfile number. Generally, The Texas Comptroller's Office won't email it to you or give it to you over the phone (depends on the representative).
